

The Napatak Ramble wants to

Send a Kid to Bluegrass Camp!

Are you a high school student that is interested in music and wants to improve their skills? The Napatak Ramble is fully funding one student to attend the Northern Lights Bluegrass Music Education Camp. Fill out this application for your chance to camp out, jam, listen to music and learn with the best of them!

Northern Lights Bluegrass and Old Tyme Music Society holds an all ages Music Education Camp prior to its annual Music Festival. It is a one week camp held at the Ness Creek site in August of each year. You will receive instruction from professional musicians as multi-skill level classes are taught in the various acoustic instruments found within the Bluegrass and Old Time genres, such as banjo, fiddle, mandolin, bass, guitar, dobro, and voice.

Please answer the questions below and then submit your application to the La Ronge Arts Council by one of the 3 methods suggested at the end. Applications must be submitted by June 30th!

Please also understand that the La Ronge Arts Council cannot provide accommodations at the camp or chaperones for youth, but will pay the full fee for attending the camp itself. And help with the other issues where we can.

Parental permission will be required.
